AIR MAIL FOR AND FROM ALASKA

Air-mail articles to be carried in either direction by the air-mail route between Juneau and Fairbanks, Alaska, via White Horse, shall be prepaid at the rate of 6 cents per ounce or fraction. Articles so prepaid shall also be dispatched by the domestic air-mail routes in the United States where advantageous, as well as the local routes in Alaska.

AIR MAIL IN THE UNITED STATES ONLY, FOR ARTICLES ADDRESSED TO FOREIGN COUNTRIES

Articles in the regular mails for foreign countries may be forwarded by air to the appropriate United States coast or border exchange office and thence by ordinary means if prepaid 3 cents per ounce or fraction in addition to the regular postage, except that where the ordinary postage is less than 3 cents per ounce (certain cards, prints, etc.), the additional postage shall be sufficient to make a total of 6 cents per ounce or fraction. However, articles for Canada so prepaid will be given onward air dispatch to and in Canada. The articles should be plainly marked on the address side "By Air in U. S. A. to Exchange Office." This rate does not provide for air dispatch within any foreign country except Canada.

PART 1 (b).—TRANS-ATLANTIC AIR MAIL SERVICE

Twice weekly trans-Atlantic air-mail service is now in operation, scheduled to leave New York each Saturday morning and arrive at Foynes, Ireland, Sunday morning, and Southampton, England, Sunday by 1 p. m.; and returning to leave Southampton and Foynes each Wednesday afternoon and to arrive at New York Thursday by 2 p. m.

On the southern route the plane is due to leave New York each Wednesday at 2 p. m., arrive at the Azores Thursday morning, Lisbon, Portugal, Thursday afternoon, and Marseille, France, Friday by 3 p. m.; and returning, to leave Marseille Sunday morning, Lisbon Monday morning, and the Azores Monday afternoon, and to arrive at New York by 7 a. m. Tuesday. Future increases and changes will be announced in the Postal Bulletin.

Connection is made in France and England with various air-mail routes in Europe and for countries beyond. There is daily or daily, except Sunday, air-mail service from France and England, reaching European destinations as a rule in less than a day from the time of dispatch. Articles should be marked "Trans-Atlantic Air Mail."

For destinations in any country of Europe, the total postage is 30 cents per half ounce or fraction, covering air service in continental United States (including Alaska) to New York (or other point of dispatch) where advantageous, trans-Atlantic air service and onward dispatch by air to destination in any country of Europe where delivery can be expedited by the European air service. Articles to be carried by air from Guam, Hawaii, Puerto Rico, Virgin Islands, and the Guantanamo Bay Naval Station shall be prepaid the respective air-mail rates to continental United States, plus 30 cents per half ounce.

For destinations beyond Europe, articles to be carried by the trans-Atlantic route must be prepaid the through air-mail postage; that is, the postage specified above plus the air-mail fee for onward air service from Europe, unless the sender superscribes the article "Air Service U. S. to Europe Only." Such through rates from continental United States (including Alaska) are as follows (the respective air postage from Guam, Hawaii, Puerto Rico, Virgin Islands, and Guantanamo Bay Naval Station to continental United States, to be added on articles to be carried from those points):
